AUCTUS

Interested in a career as PRIVATE EQUITY ASSOCIATE at AUCTUS?

AUCTUS Capital Partners is the market leader among Europe's Private Equity companies. With **over 380 transactions** since 2001 and, on average, a **fivefold increase in the capital invested**, we are **the most successful Private Equity company in Europe**. The spirit of "We create market leaders" accompanies our team of 35 AUCTUS employees in **Munich, Germany** and **Milan, Italy** in their daily business, while realising buy and build strategies in our platform companies.

- Be part of the Private Equity market leader
- Learn all about being a successful investment professional and entrepreneur
- Extend your knowledge about transactions and benefit from our high deal flow

WHAT DO WE OFFER?

- **Expand your deal track record:** take on full responsibility for the entire transaction process – from sourcing to closing
- Benefit from a **steep learning curve**, a **high level of responsibility** and **be an investor yourself**
- **Grow professionally and personally:** learn from our experienced investment professionals and benefit from their mentorship
- **Be part of a great team:** join our social activities, team events and monthly get-togethers
- **Office benefits:** drinks, breakfast, EGYM Wellpass membership, etc.

WHAT DO WE NEED FROM YOU?

- **Excellent academic degree** (Bachelor or Master) with a commercial, technical or scientific background at a renowned university or business school
- **Working experience** in the areas of private equity, management consulting, audit and investment banking
- Very good knowledge of **financial statements** (e.g., balance sheets, P&L), **cash flow analysis**, **business valuation and financial modelling**
- Excellent analytical skills
- **End-to-end deal experience**
- Entrepreneurial mindset, can-do attitude and affinity for medium-sized businesses
- For our Munich office **native German language skills**, for our Milan office **native Italian language skills** are required - as well as fluent English language skills in both cases
