

High ownership INTERNSHIP @AUCTUS - only for MBA students

WHY AUCTUS?

With more than 400 transactions since 2001 and a money multiple of >5x, AUCTUS is the clear N° 1 Germany Private Equity fund. The spirit of “We create market leaders” accompanies our team of 35 AUCTUS professionals in Munich and Milano in their daily business, while realising buy-and-build strategies with our platform companies. ‘AUCTUS’ (latin) means growth – let’s grow together and join us in turning hidden champions into market leaders!

- **Join the market leader** in Private Equity for a 10-12 week internship in Munich or Milan
- Benefit from our high deal flow to **boost your deal track record** and **connect with successful entrepreneurs**
- *Special edition:* Be **mentored by a Partner** and learn all about being a successful investment professional, investor and entrepreneur from one of our experienced Partners

WHAT TO EXPECT?

- **Deals, deals, deals:** We do 30-50 deals per year! You’ll be involved in various phases of the transactions - from analyzing target companies in various growth industries, to financial models and purchase offers/LOI, due diligences up to the successful closing and also the monitoring of AUCTUS portfolio companies.
- **A steep learning curve:** be part of our small deal teams with 2-3 senior colleagues and benefit from a high level of project ownership
- *Special edition:*
 - **Get guidance** from an **experienced AUCTUS Partner** as your mentor
 - **Have lasting impact:** identify a **Buy-and-Build business opportunity** on your own and present it at the end of your internship to the Partner Group, supervised by your Partner mentor
 - **Benefit financially** if this opportunity is pursued after your internship
- Highly successful interns will **get a full-time offer** after their internship

WHAT WE NEED FROM YOU?

- Excellent academic track record, graduated from a renowned university
- Several years of working experience in consulting or M&A
- Very good knowledge of financial statements (balance sheets, P&L), cash flow analysis, business valuation and financial modelling
- Entrepreneurial mindset, can-do attitude and affinity for medium-sized businesses
- For an internship in Munich native German language skills, for an internship in Milan native Italian language skills are required - as well as fluent English language skills in both cases
