

Wir machen Marktführer

AUCTUS

AUCTUS INTERNSHIP - AI-PROJECTS

WHY AUCTUS?

With over 400 transactions since 2001, AUCTUS is the clear market leader among Germany's Private Equity companies. Our slogan „We create market leaders“ accompanies our team of 35 AUCTUS employees in Munich, Germany and Milan, Italy, in their daily business, while realising buy-and-build strategies in our platform companies.

- Be part of the Private Equity market leader in the German-speaking SME sector!
- Drive exciting AI projects for us and our portfolio companies!
- Bring in your analytical strengths and improve the efficiency and competitiveness of our portfolio companies!

WHAT DO WE OFFER?

- **Impact** – drive exciting projects to ensure the competitiveness of SMEs
- **Active contribution** - create a data-driven basis on decision-making for strategic and operational developments in our portfolio companies
- **Highly relevant topics:** Research and analyze the latest AI trends (e.g., using LLMs) to apply them in our portfolio companies
- **A steep learning curve** – benefit professionally and personally from the close cooperation with AUCTUS Investment Professionals
- **Fun and team spirit** – on the deals as well as at our team events and monthly evening drinks

WHAT DO WE NEED FROM YOU?

- Bachelor's or a Master's degree with a commercial, technical or scientific background from a renowned university
- Very good analytical and modelling skills
- First programming skills are advantageous
- In-depth experience in the use of AI tools and the handling of LLMs
- Proficient knowledge of German and English (written and spoken)

YOUR APPLICATION

We look forward to receiving your CV and certificates via our online recruiting platform: www.auctus.com/karriere
